REFERENCE: STATEMENT OF ORGANIZATION

To: FEDERAL ELECTION COMMISSION, WASHINGTON, D.C. 20463

Dear: Federal Election Committee,

In response and as a member and candidate as well as the concomitant requirements of outlines regarding a Statement of Organization of our ?Freedom Committee? I affirm this disclosure.

This opportunity does not designate a non-funding consensus unless of course for the pretense of promotions for air time or other documents of promotional value. This opportunity instead presents the pretense of purported funding upon financial backing and fundraising.

As the treasurer of this Freedom Committee it is also my understanding Form II is the designated form of which to state financial fundraising and all monies allocated to said objective. It is also my understanding until I have acquired more than \$49, 999.99 I do not have to report or disclose any financial monies to anyone. I would of course should someone ask to discuss these potential elements of funding be more than happy too.

?A political committee is considered to have reason to expect it will exceed the electronic filing threshold for the next two calendar years after the calendar year in which it exceeds \$50,000 in contributions or expenditures. Exception: This does not apply to an authorized committee with \$50,000 or less in net debts outstanding on January 1 of the year following the general election that anticipates terminating prior to January 1 of the next election year, as long as the candidate has not qualified under 2 U.S.C. ?432 as a candidate in the next election and does not intend to become a federal candidate in the next election. A new committee with no previous contributions or expenditures is considered to have reason to expect it will exceed the electronic filing threshold if it exceeds \$12,500 in contributions or expenditures during the first calendar quarter of the calendar year, or \$25,000 in contributions or expenditures in the first half of the calendar year.?

This Freedom Committee has sent the required documents necessary for a Statement of Organization and I have met the aforementioned requirements. As Treasurer of this Freedom Committee I do attest the following of page 10 of Congressional Candidates and Committees August 2011 guide, Line 9, Congressional Candidates and Committees August 2011
